Contents

1	Introduction	1
2	Predictive Modeling Steps	3
2.1	Training and Test Data	3
2.2	Three different classification methods	3
2.3	Plots	3
3	Model Comparison	5
4	Conclusion	7
	References	8

List of Figures

1 Introduction

2 Predictive Modeling Steps

Image to feature vector

With vectors: KNN, SVM, logistic regression

Plots

2.1 Training and Test Data

2.2 Three different classification methods

2.3 Plots

3 Model Comparison

4 Conclusion
